Transfer Articulation Workshop, September 28 - October 1

The Transfer Articulation Encoding Workshop is for the new transfer evaluator, the experienced evaluator who is new to u.achieve/DARwin or anyone who wants to learn more about the sortware's transfer articulation (TA) functionality. This workshop is appropriate for any version of u.achieve or DARwin. For more information, view the course description. For information regarding other types of training workshops, please visit our website.
